1. Learned counsel for the petitioner states that she does not press the petition save and except with a request to this court that since arrears payable under the impugned order would approximate Rs.7 lacs, considering that monthly maintenance to be granted to the wife is Rs.30,000/- , payment of arrears may be staggered.

2. I accordingly dispose of the petition permitting petitioner to clear the arrears of maintenance payable under the impugned order by paying over the same in 15 equated monthly installments. First of the 15 installments would be paid by the 10th day of August, 2007 and thereafter balance 14 payments would be paid on or before the 10th day of each ensuing calender month along with tender of future maintenance.

3. No costs.
